Our Expertise & Contact

Our Expertise

Founded by Nagy Mourad, XRISK is built on decades of construction, training, and consulting experience.

Nagy's approach blends technical knowledge, hands-on industry insight, and a passion for safe, high-quality outcomes.

We are not just compliance consultants — we help organisations embed a true safety culture.

Why Choose XRISK

- ✓ Tailored safety strategies, not generic templates
- ✓ Expertise across diverse industries
- ✓ Training that is engaging, practical, and effective
- ✓ Transparent, approachable, and client-focused
